DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-4 are rejected under 35 U.S.C. 102(b) as being anticipated by English.

English shows the use of an adjustable cover comprising a seat portion with a forward panel and a back portion having a forward panel (10) and rear upper (16) and lower (14) panels.

3. Claims 1-7 and 9-12 are rejected under 35 U.S.C. 102(b) as being anticipated by Wallach. Wallach shows the use of an adjustable cover comprising a seat portion with a forward panel and a back portion having a forward panel (38) and rear upper (16) and lower (12) panels. Wallach further shows the use of constricting means (44) comprising a drawstring (46,48,50).

Allowable Subject Matter

4. Claims 8 and 13-15 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
